"We love TeacherLists. We have gone from posting or printing PDFs to this easy-to-access site. Our parents can hop from school to school while in a store, or they can add items right to an online shopping cart for participating stores. Parents are busy, and TeacherLists simplifies one more back-to-school task."

—Jeannie Fox, Special Project Leader Analyst, Alachua County Public Schools

TeacherLists

"TeacherLists has made back-to-school planning a breeze for our teachers and families."
