

Put the power of technology behind your school's supply lists.

TeacherLists helps schools and parents easily manage, share, and shop school supply lists and classroom wish lists, all online—at no cost. Any designated person from your school can manage TeacherLists—even your parent group!

With TeacherLists, everyone benefits.

Smart for Schools

Uploading and updating lists is a snap. Lists are easy to share on your school website, parent portal, social media, or via email. No more printouts!

Convenient for Families

Parents can view supply lists on their smartphones while on the go. Plus, items can be purchased with just one click through prefilled shopping carts at leading retailers like **Amazon, Target, Walmart, Office Depot/Office Max, and more!**
