Get Smarter with Your Back-to-School Supply Lists!

Parents will love the convenience of viewing their school supply lists on their smartphones while on the go! And they'll love how much easier their back to school shopping will be. They can check-off items as they purchase them – right from your school app.

If they'd rather shop online, they'll love the direct link to Amazon, where they can click over to purchase their exact list and have it delivered right to their door!
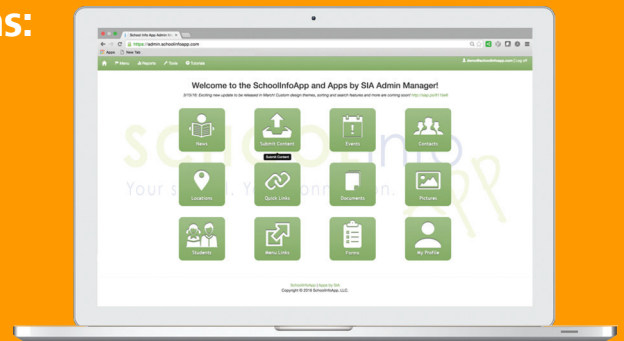

Ready to Get Started? Two easy options:

1 Simply send us your supply lists in any format by selecting Submit Content in the Admin Manager.

2 Or, email your lists to content@schoolinfoapp.com.

We'll take care of the rest! Within 48 hours your lists will appear in your school's app menu!

Your staff and parents will thank you!

No more updating school websites or sending paper lists home to families. No more fielding phone calls from moms looking for extra copies. No more sending photocopies to the local stores for posting in old-fashioned plastic bins. Busy parents can quickly and easily find all of your schools supply lists! And your lists are available for one-click purchase with national retailers like Amazon – making back-to-school shopping a breeze!
