

From
old school

to
that's cool!

TeacherLists.com is a new, free service that's revolutionizing the way teachers create and share school supply and wish lists with parents.

With TeacherLists.com:

- **You can instantly create and update lists** that you can use year after year
- **You can share your lists with parents at the click of a button** via email, Facebook, print and more
- **Parents will always know how to find your lists** and exactly what to buy
- **You can archive your lists permanently** and access them at anytime, even if you move or change schools

Create and share your list today at
[TeacherLists.com/teachers](https://www.teacherlists.com/teachers).
